Github: <https://github.com/mehedihasanhr>

Address: Board Bazar, NU, Gazipur-1704, Bangladesh

Career Objective:

As a self-motivated and passionate web developer, I am seeking a challenging position in the field of web development where I can utilize my strong programming skills and knowledge to contribute to the success of the organization. With a focus on frontend development and expertise in React JS, Next js, and Redux, I aim to create engaging user interfaces and deliver high-quality web solutions.

Skills:

- **Languages:** HTML5, CSS3 (including Tailwind CSS, Bootstrap, Material UI, Chakra UI), JavaScript, TypeScript
- **Frameworks and Libraries:** React JS, Next Js, Redux, Redux RTK
- **Backend Technologies:** Node Js, Express JS, GraphQL, SocketIO
- **Databases:** MongoDB, MySQL, Firebase

Professional Experience:

- **Junior Frontend Developer (React JS)**

Company: SEOPage1

Location: Shyamoli, Dhaka , Bangladesh

Mar 2023 - Present

- Collaborated with A Laravel team at SEOPage1 to develop user interfaces for an ERP system software using React JS.
- Worked on various modules including the Incentive page, Point distribution page, Insights and Goal page and Time log report
- Created a Task Handling Page with functionalities such as a Time Tracker, Revision, report Generation.
- Actively participated in agile development processes, including daily stand-up meetings, sprint planning, and retrospectives.
- Stayed updated with industry trends and best practices in React JS and frontend Development.

NOTE : The mentioned company, SEOPage1, provided valuable experience in working with Laravel and an ERP system software. The experience included working on specific pages/modules within the system and collaborating with a cross-functional team.

Professional Project:

- **ERP Project For SEOPage1**

Personal Statement:

As a self-taught programmer, I have developed a strong skill set in various languages and technologies. Despite studying Physics, I have been able to apply my programming skills to personal projects and am excited to continue learning and growing in this field. I am eager to take on new challenges and contribute to meaningful projects.

Thank you for considering my application
